INDEMNIFICATION

Section 1. Non-derivative Actions. Subject to all of the other provisions of this article, the council shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding. This includes any civil, criminal, administrative, or investigative proceeding, whether formal or informal (other than an action by or in the right of the corporation). Such indemnification shall apply only to a person who was or is a director or officer of the council, or who was or is serving at the request of the council as an NEBD member, director, officer, or employee, whether for profit or not for profit. The person shall be indemnified and held harmless against expenses (including attorney fees), judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding, if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the council or its members. With respect to any criminal action or proceeding, the person must have had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent, shall not by itself create a presumption that (a) the person did not act in good faith and in a manner that the person reasonably believed to be in or not opposed to the best interests of the council or its members or (b) with respect to any criminal action or proceeding, the person had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Derivative Actions. Subject to all of the provisions of this article, the council shall indemnify any person who was or is a party to, or is threatened to be made a party to, any threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person was or is an NEBD member, director or officer of the council. The person shall be indemnified and held harmless against expenses (including actual and reasonable attorney fees) and amounts paid in settlement incurred by the person in connection with such action or suit if the person acted in good faith and in a manner the person reasonable believed to be in or not opposed to the best interests of the council or its members. However, indemnification shall not be made for any claim, issue or matter in which such person has been found liable to the council unless and only to the extent that the court in which such action or suit was brought has determined on application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for the expenses which the court considers proper.

Section 3. Expenses of Successful Defense. To the extent that a person has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to above in this article, or in defense of any claim, issue, or matter in the action, suit, or proceeding, the person shall be indemnified against expenses (including actual and reasonable attorney fees) incurred in connection with the action and in any proceeding brought to enforce the mandatory indemnification provided by this article.

Section 4. Contract Right; Limitation on Indemnity. The right to indemnification conferred in this article shall be a contract right and shall apply to services of an NEBD member, director or officer as an employee or agent of the council as well as in such person's

capacity as an NEBD member, director or officer.

Except as provided herein, the council shall have no obligations under this article to indemnify any person in connection with any proceeding, or part thereof, initiated by such person without authorization by the NEBD.

Section 5. Determination That Indemnification Is Proper. Any indemnification under this article (unless ordered by a court) shall be made by the council only as authorized in the specific case. The council must determine that indemnification of the person is proper in the circumstances because the person has met the applicable standard of conduct set forth in these bylaws. Such determination shall be made in any of the following ways:

- a. By a majority vote of a quorum of the NEBD consisting of members who were not parties to such action, suit, or proceeding.
- b. If the quorum described in clause (a) above is not obtainable, then by a committee of members who are not parties to the action. The committee shall consist of not less than two disinterested members.
- c. By independent legal counsel in a written opinion.
- d. By the general members.

Section 6. Proportionate Indemnity. If a person is entitled to indemnification under this article for a portion of expenses, including attorney fees, judgments, penalties, fines, and amounts paid in settlement, but not for the total amount, the council shall indemnify the person for the portion of the expenses, judgments, penalties, fines, or amounts paid settlement for which the person is entitled to be indemnified.

Section 7. Expense Advance. Expenses incurred in defending a civil or criminal action, suit, or proceeding described above may be paid by the council in advance of the final disposition of the action, suit, or proceeding on receipt of an undertaking by or on behalf of the person involved to repay the expenses, if it is ultimately determined that the person is not entitled to be indemnified by the council. The undertaking shall be an unlimited general obligation of the person on whose behalf advances are made but need not be secured.

Section 8. Non Exclusivity of Rights. The indemnification or advancement of expenses provided under this article is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under a contractual arrangement with the council. However, the total amount of the expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses.

Section 9. Indemnification of Employees and Agents of the Corporation. The corporation may, to the extent authorized from time to time by the NEBD, grant rights to indemnification and to the advancement of expenses of directors and officers.

Section 10. Former Directors and Officers. The Indemnification provided in this article continues for a person who has ceased to be an NEBD member, director or officer and shall insure to the benefit of the heirs, executors, and administrators of that person.

Section 11. The council may purchase and maintain insurance on behalf of any person who was or is an NEBD member, director, officer, employee, or agent of the council. Such insurance may protect against any liability asserted against the person and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the council would have power to indemnify against such liability under this article or the laws of the state of Michigan,

Section 12. Changes in Michigan Law. If there are any changes in the Michigan statutory provisions applicable to the council and relating to the subject matter of this article, then the indemnification to which any person shall be entitled shall be determined by such changed provisions, but only to the extent that any such change permits the council to provide broader indemnification rights that such provisions permitted the council to provide before any such change.
