

CECCHETTI COUNCIL OF AMERICA  
*Examinations*

To Whom It May Concern:

The Cecchetti Council of America is a nonprofit, educational organization dedicated to maintaining the standards and method of ballet training established by Cav. Enrico Cecchetti. The organization uses a sequence of grades, carefully measured as to degree of difficulty and physical development, and provides a system of accredited examinations to test the students' proficiency with those grades.

Cecchetti ballet students are examined across the United States, Canada, Haiti, and Jamaica. The examiners travel to each area for two or three days of scheduled examinations. To service all the student and teacher exam candidates, there are times when the examinations must be scheduled on a weekday.

We request your consideration in allowing \_\_\_\_\_ to be excused from school to be examined. Ballet students are dedicated individuals who study one or two years on each examination to develop the technical strength and artistry necessary to meet the required standard of achievement.

Sincerely,

Karen Keith, DFCCA
