TEACHER SEMINAR ~ July 12-18, 2020

We welcome all teachers to our seminar to explore, learn, and study the Cecchetti Method. The Cecchetti Method offers teachers a completely balanced and analyzed system of theory and execution for the planned development of the student from the first lesson to professional levels. There are four student grade levels I-IV, and four professional levels: Elementary, Intermediate, Advanced, and Diploma. All teachers can learn and share knowledge in a positive and friendly atmosphere provided by the CCA and Hope College. The seminar is devoted to the art of teaching, emphasizing developing technique and the quality of movement, body placement, and style.

The teachers' faculty includes guest teachers from around the world, and CCA faculty from around the country, who believe the Cecchetti Syllabi is a strong and viable teaching methodology. The complete Cecchetti syllabi is offered to demonstrate the progression of the method, along with classes that specialize in teaching techniques, classes for the very young, free style, and classical variations.

Teacher Seminar Cost:

Tuition \$720 - CCA Members and Assistants

Tuition \$820 - Non-Members
