VIRTUAL SUMMER SCHOOL ~ July 12-23, 2021

Student Virtual Intensive

The Cecchetti Summer Intensive program for students is designed to strengthen the technique, broaden the perspective, and develop artistry of students ages 10-21. The program offers different dance genres with exceptional guest faculty and teachers. The schedule includes ballet technique, contemporary, and jazz.

Dancers in all levels will participate daily in a minimum of two ballet technique classes and one contemporary or jazz class. The program is open to students of all methods; classical ballet classes taught by the guest faculty are free-style and do not include the "set" Cecchetti Syllabus for students. Visit our Website for further details and schedules.

Acceptance Requirements

Participants are expected to be outstanding students of dance. By signing the application, the sponsoring teacher recommends the applicant for our program. Students must maintain the highest standard of conduct at all times.

Application must be completed indicating years of serious training; number of ballet classes currently taking per week; and, if applicable, the last CCA exam passed.

Two 4x6 photographs in solid colored leotard and pink tights must accompany application. Photographs must show two poses: tendu a terre to the second position (arms in second) and first arabesque. Photographs will be used to assess applicants for acceptance and level placement.

TEACHER VIRTUAL SEMINAR ~ July 12-23, 2021

Teacher Intensive

The Cecchetti Council of America welcomes all teachers to our Virtual Summer School to explore, learn, and study the Cecchetti Method of ballet. The Cecchetti Method offers teachers a completely balance and analyzed system of theory and execution for the planned development of the student from the first lesson to the professional levels. There are four student levels, grades I-IV, and four professional levels: Elementary, Intermediate, Advanced, and Diploma. All teachers can learn and share knowledge in a positive and friendly atmosphere provided by the CCA. The Teacher's Intensive is devoted to the art of teaching the CCA Syllabi and more, with emphasis on technical development, movement quality, body placement, and style.

The teachers' faculty includes guest teachers from around the world and CCA faculty from around the country, who believe the Cecchetti Syllabus is a strong and viable teaching methodology. The complete Cecchetti Syllabus is offered to demonstrate the progression of the method, along with classes that specialize in teaching techniques. Visit our Website for further details and schedules.
